٧	Teletypewriter to Voice	٧	СарТеІ
	Voice Carry Over		Web CapTel
	Hearing Carry Over	٧	Video Interpreting Service
	Mobile Text Relay		Speech to Speech
٧	Internet Relay		Video-Assisted Speech to Speech

#### Availability of Services – Please let us know if your comments relate to a specific service

1. What is your view of the current availability of the relay service (i.e. are you able to access the relay service when you need it?

A lot of the time I have to wait until the relay is available. Sometimes I had to wait for than 30 minutes and it is hard when you are working during the day.

2. If you have encountered problems, what are these and what impact have they have	
I don't know what is the number for the relay so that hearing people can contact me	
been running after them and at times it does take a long time to get through to the i	relay.
Sometimes the video freezes and it does not make the calls smooth and it can be	
embarrassing.	
I would like to have the name of each relay that are on the call so I can chose who I v	want. Some
of the interpreters don't understand me.	
3. What changes could be made to relay services to improve their availability, and we Putting names on skype number so I can see who is on the phone. I don't know 70%	•
interpreters names. I know they give out numbers but I prefer to know their names.	
mice process names. Tknow they give out numbers but I prefer to know their flames.	•
Video Interpreting hours are good.	
Accessibility – Please let us know if your comments relate to a specific service

Laptop – cos the wifi tend to have a stronger reception however I would like to use my phone. My. Phone will ring or vibrate if I have a call coming etc whereas laptop I would never hear it

ringing.

5

	What specific relay services would you like to see available on your mobile, laptop or tablet and why?
3	lay service to contact me via my mobile number.
	For those relay services that are available on your mobile, laptop or tablet already, are there an
	improvements that could be made that would make them easier to use and why?
	Are there any other issues related to ease of access and use with the current relay service that
	should consider?
_	
ı	fordability – Please let us know if your comments relate to a specific service
	Are the costs of connectivity a barrier to you accessing and using the relay service?
).	If so, what are the specific problems you have encountered and what impact has this had?
	· , , , , , , , , , , , , , , , , , , ,

11. What changes could be made to the relay service to improve its affordability and why?
Fit for Purpose – Please let us know if your comments relate to a specific service
12. Are there any particular features or changes that you think should be made to the relay service t ensure it continues to offer a good experience to users and why?
13. Are there any relay services or equipment that you consider are no longer relevant and could be phased out or discontinued? If so, what measures or support would need to be provided to transition users to other services or mainstream devices?
14. Have you ever discontinued use of any of the relay services? If so which service or services, and why?

Any Other Comments – Please let us know if your comments relate to a specific service

15.	What other	r comments d	o you have abo	out New Zealand	d Telecommunication	s Relay Services?

Thank you for taking the time to complete this submission. Your feedback is appreciated.

#### **Publication of submissions**

Written submissions may be published at <a href="https://www.mbie.govt.nz">www.mbie.govt.nz</a>. We will consider you to have consented to publication by making a submission, unless you clearly specify otherwise in your submissions.

In any case, all information provided to the Ministry in response to this discussion document is subject to the Official Information Act 1982 (OIA). Please advise if you have any objection to the release of any information contained in a submission, and in particular, which part(s) you consider should be withheld, together the with reason(s) for withholding the information.

In particular, please clearly indicate in your submission if you do not wish your name and any other identifying details to be included in any summary of submissions that the Ministry may publish, or in any responses to OIA requests.

The Ministry will consider all such objections when responding to requests for copies and information on submissions to this document under the OIA. Please note that in certain circumstances information you have provided us may be required to be released to a requester under the OIA, even if you would prefer it to be withheld.

The Privacy Act 1993 establishes certain principles with respect to the collection, use, and disclosure of information about individuals by various agencies including the Ministry. It governs access by individuals to information about themselves held by agencies. Please contact us if you would like a copy of, or to correct, any of your personal information. Any personal information you supply in the course of making a submission will be used by the Ministry only in conjunction with the matters covered by the documents.
