Thank you for your email of 21 April 2021 to the Ministry of Business, Innovation and Employment (MBIE) requesting, under the Official Information Act 1982 (the Act), the following information:

"... a breakdown of all MBIE staff by age group and gender. I.e. how many women vs men are in their 20s, 30s, 40s, 50s, or 60+."

Our response to your request is outlined in the table below, and reflects data as at 31 March 2021.

Please note that this is based on our headcount, which is a mixture of permanent and fixed term onshore employees. Casual employees, contractors, locally engaged offshore staff and employees on extended unpaid leave are excluded from the data.

Please also note that the 'Unknown' column for gender consists of staff who preferred not to state their gender, and staff who selected 'other' at the point of information collection. Similarly, the 'Unknown' row for age is the result of age not being mandatory to declare.

	Gender			
Age	Female	Male	Unknown	Grand Total
20-29	620	344	19	983
30-39	898	553	6	1457
40-49	747	467	8	1222
50-59	558	385	2	945
60+	185	196	2	383
Unknown	102	49	3	154
Grand Total	3110	1994	40	5144

Please also note that MBIE published a breakdown of our ethnic and age profile as at 30 June 2020 in our 2019/2020 Annual Report (see <https://www.mbie.govt.nz/about/who-we-are/corporate-publications/annual-reports/annual-report-2019-20/our-organisation/>).

I hope you find the information helpful.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely
