Through the Provincial Development Unit, the Ministry is responsible for administering the Provincial Growth Fund, which aims to lift productivity potential in New Zealand's provinces. Its priorities are to enhance economic development opportunities, create sustainable jobs, enable Māori to reach full potential, boost social inclusion and participation, build resilient communities, and help meet New Zealand's climate change targets.

The Taranaki Cathedral is the oldest stone church in New Zealand and a Category 1 Heritage Building. The building has been closed to the public since February 2016 after being declared ^{Comm}% of a new building standard.

In addition to earthquake strengthening to re-open the building, the Project as described below, will establish a tourist attraction for the Taranaki Region that showcases stories of national significance, and of great importance to the Taranaki region. 6 Project Description

The Taranaki Cathedral project is the establishment of a destination of national significance, that provides a permanent showcase of the stories relating to the Cathedral site regarding colonial settlement in the Taranaki region that caused a significant impact on tangata whenua and a changing relationship between Maori and non-Maori.

The Project will establish an integrated experience for visitors that are seeking to understand the role that the site played in establishing colonial settlement in the region, the impact on Maori in the region in the process, and how the relationship between Maori and non-Maori is influenced today as a result of that early and subsequent engagement.

The Project will be set within the Cathedral grounds, with a new building The Whare Hononga, the Cathedral site, and the Cathedral itself hosting the experience.

The Project has the following elements:

- Te Whare Hononga – Research, Curation and Expression
- Te Whare Hononga – Construction and related works e.g. development of whole Cathedral site as a visitor experience;
- Strengthening the Cathedral

The Ministry is contributing to these elements independently.

On Commencement of this Agreement, the Recipient will first embark on **Te Whare Hononga** which will involve the below.

Te Whare Hononga – Research, Curation and Expression (“Content Phase”) - up to \$

^{Commercial Information} of the Funding is made available for, and may only be spent by the Recipient for Te Whare Hononga – Research, Curation and Expression.

The deliverables will be further defined in the Project Plan for Te Whare Hononga, completion of which is the first Deliverable under this Agreement. The Content Phase will include;

- All conceptual design, consenting and related works that need to be completed before construction commences;
- The research, curation and expression of the stories for the exhibition. The story is to be reflected within the Whare Hononga, and wider narration around the Cathedral and site and is intended to reflect the stories and experiences of both sides of the relationship. They should be expressed openly and with integrity, to communicate honestly the events that took place and their implications. The research, curation, and expression of those stories will include working closely with Taranaki Māori where their experiences relate to the Cathedral's place historically;
- Engagement with Ngati Te Whiti Hapu will be core to this as mana whenua of the area, but there will be wider links to be made with other groups around the region, including reference to the events at Parihaka, Te Kohia, and beyond;
- The engagement of a researcher (or researchers) with sufficient experience or reputation to deliver a product of national standing, who shall be an Approved Contractor, to facilitate the research within communities and from other sources, to collate the events, experiences and implications for Māori and non-Māori relating to the Project. **(Researcher)** This Researcher shall not be engaged until the terms of reference and procurement approach for the engagement of the Researcher have been approved by the Ministry;
- The engagement of an advisor (and/or advisory group of specialists), who shall be Approved Contractor(s), to collate and curate the research. **(Curation Advisor)** This Curation Advisor shall not be engaged until the terms of reference and procurement approach for the engagement of the Curation Advisor have been approved by the Ministry; and
- The engagement of an Advisor (and/or advisory group of specialists), who shall be an Approved Contractor(s), to work with the appropriate groups to identify the best options for expressing or communicating that research, in a compelling way that establishes the site as destination of national significance for visitors, and that the subjects of the stories feel they are told with integrity. **(Advisor)** This Advisor shall not be engaged until the terms of reference and procurement approach for the engagement of the Advisor have been approved by the Ministry.

Te Whare Hononga - Construction - up to \$^{Commercial Information} ("Te Whare Hononga Construction Phase")

\$^{Commercial Information} of the Funding is made available for, and may only be spent by the Recipient for Te Whare Hononga – Construction. Funding for this will only be made available when the Construction Conditions (Item 14) are met.

This phase will involve the construction of a building within the Cathedral grounds where a permanent exhibition of the story will be told and available for visitors to experience. This will be the primary facility where the exhibition will be on display, supported by displays in the Cathedral and around the grounds. Works to increase the narrative or expression of the story on the surrounding site may also be required to provide visitors with an integrated and wider explanation. The deliverables for this phase will be further defined in the Project Documents, provided as a Construction Condition.

Strengthening of the Cathedral - up to \$^{Commercial Information} (“Strengthening the Cathedral”)

\$^{Commercial Information} of the Funding is made available for, and may only be spent by the Recipient for Strengthening of the Cathedral. Funding for this will only be made available when the co-funding is secured, and Ministry notifies the Recipient that it has received and accepted all documents and Construction Conditions (Item 14) are met. (**Cathedral Commencement Date**)

10 Funding

The total Funding available under this Agreement is up to **NZ\$5,000,000.00** plus GST (if any). This is the Total Maximum Amount Payable.

The Funding under this Agreement is to be applied in the following way. No funding from either of the below can be applied to the other.

Te Whare Hononga – \$^{Commercial Information} with up to \$^{Commercial Information} of the amount to be used for Content Phase.

Strengthening The Cathedral - \$^{Commercial Information}

The Funding will be paid subject to receipt of a satisfactory Payment Request in accordance with clause 1 of Part 2, as well as the Special Terms of Item 14, and the terms and conditions of this Agreement.

Within each phase of the Project, any amount not requested from an instalment payable will be carried forward to the following instalment payable and the instalment payable available to be requested by the Recipient is accordingly the aggregate of the instalment payable in the tables above, and any amount so carried forward.

The intention of contributing PGF Funding of up to \$^{Commercial Information} for Te Whare Hononga Content Phase is to ensure that the quality and breadth of display is sufficiently high standard to offer a nationally recognised visitor experience. The Ministry acknowledges that the Recipient may undertake to raise further funding from other parties for the same purpose. If evidence can be provided to the satisfaction of Ministry, that there is no loss of offering or reduction in the scale or quality of the end product, then the Ministry will consider a request from the Recipient to transfer any unutilised Funding from the Content Phase to be used for the Construction Phase of Te Whare Hononga. The Ministry will endeavour to work with the Recipient so as to ensure PGF Funding under this Agreement is made available to enable delivery of a nationally significant visitor experience relating to the Cathedral site and tangata whenua, and the ability of the Recipient to continue fund raising efforts elsewhere that support more funding be made available for the construction of Te Whare Hononga. For

avoidance of doubt, no part of the Funding shall be transferred in this manner without the prior approval of the Ministry in writing, and subject to any conditions the Ministry stipulates.

11 Co-Funding

The Co-Funding must be contributed by the Recipient to Eligible Costs of the Project as they are incurred in proportion to the ratio between the Funding and Co-Funding (within a range of ^{Comm}% variation through the course of the Project but by completion of the Project not being less than that contribution made by the Ministry). These relates to the physical construction of the Whare Hononga as well as to the Earthquake Strengthening of the Cathedral.

Co-Funding for Te Whare Hononga

On Commencement of this Agreement, the Recipient must have secured the following Co-Funding to be used for **Te Whare Hononga** part of the Project, plus GST (if any):

Co-Funder Name	Amount
The Recipient	\$ ^{Commercial Information}

Co-Funding for the Strengthening the Cathedral

By ^{Commercial Information}, the Recipient must have secured sufficient co-funding to complete the Project to unlock the Funding under this Agreement for the Strengthening the Cathedral. If at that time the Recipient has been unable to secure the balance for the total cost of the strengthening work required to bring the Cathedral up to the NBS rating of ^{Comm}%, then the Ministry reserves the right to review whether the Funding will remain available to the Project.

The total amount of co-funding required for the Strengthening the Cathedral to proceed in full is not yet known, however the indicative full cost of the project is \$^{Commercial Information}, so co-funding is likely to be circa \$^{Com}
^{Commercial Information}. This will be confirmed by the Recipient once known.
