Q13

Do you have any comments on these policy objectives? (e.g. any suggested change to how they are framed? Is there anything missing?)

I I strongly object to any military activity of any country being Supported by payloads launched from Rocketlab.

Q14

Are there any other policy objectives that you think would help the New Zealand government to grow an innovative and inclusive space sector?

I object to the existence of RocketLab at Mahia-. It was constructed with consent from Wairoa District Council with a non-notified Consent process, I hold that was illegal,.

Q15

Do you have any questions or comments about what these objectives would mean in practice?

The removal of Rocketlab would be a start. I object to being in the sights of other nations missile launching facilities should hostilities erupt.
