**Consultation on Regulations 2023 for the Incorporated Societies Act 2022 – Letter of support**

As a dedicated member of The Australasian Society of Association Executives (AuSAE), I'm expressing my support of their submission regarding the Incorporated Societies Act 2022 – Regulations 2023.

After reviewing the submission documents, I believe the proposed amendments are essential for our sector's prosperity. These recommendations, derived from our organisation's substantial experience, offer valuable insights that should be integrated into the Act's final regulations.

I urge you to consider these recommendations, which are tailored to ensure a fair, inclusive, and efficient environment for incorporated societies.

Thank you for considering our viewpoint on this important matter.

Yours sincerely,
