Thank you.

Yes. But I think they're going to round up the \$48.8m figure.

Have suggested.

Very very small points:

Work and Income hasn't been called WINZ since about 2003

I take it we have reverted to \$58 m from "around \$60 m"? (we don't actually know how much people receive terms of benefits and healthcare etc of course)

I take it we don't want to use this to encourage people who are interested in supporting New Zealand's quota refugees to consider becoming a volunteer support worker with the Red Cross?

Cheers

Christine

**Importance:** High

Hi there,

See below that latest version of the PR. Only a few minor changes but have also only included two Q & As to go out under the PR.

Let me know if you are happy with this or of any changes you would like to make.

Thanks,  
Yvette
