

MBIE/SG/I/2026/001: Interested Person Information Sheet

New Zealand safeguard investigation into certain aluminium extrusions

Please complete all applicable areas of the interested persons' information sheet and return by email to traderemedies@mbie.govt.nz by 4 June 2026. Thank you for your assistance.

Explainer

The purpose of this information sheet is to confirm key details for persons we have identified as having an interest in this investigation as well as confirming their participation. Unless specified at the end of the sheet, the submitter will automatically be added to the interested persons/public file distribution list.

The goods subject to this investigation are:

- a) Tariff item 7604.21.00 00B - Aluminium bars, rods and profiles of aluminium alloys - Hollow profiles
- b) Tariff item 7604.29.09 00F - Aluminium bars, rods and profiles of aluminium alloys - Other

This classification is provided for convenience and Customs' purposes only, the written description being dispositive.

Disclaimer

All confidential information that falls within section 11(1) of the Trade (Safeguard Measures) Act 2014 such as personal or commercially sensitive information will be redacted. A non-confidential version will be generated for the public file.
