Q10 In the last six months (**WAVE 1, 3, 5:** since April this year/ **WAVE 2, 4, 6:** since October last year/), how many **overnight trips** have you taken in **New Zealand** for holiday or leisure purposes?

Note to MBIE and stakeholders: Q11 is solely for the purpose of randomising a trip for questions later in the survey (and referring to them in a way that is meaningful to respondents). We have avoided using 'last' trip for this trip selection because that would under-represent more significant trips taken in the Christmas/New Year period (when we carry out wave 2 of the survey next April).

Random selection of one overnight trip

ASK IF MORE THAN ONE TRIP AT Q10, OTHERWISE SKIP TO Q12MAP.

Q11 You said you took X overnight trips in the last 6 months.
Please give (**IF 1 AT Q10:** your trip **IF 2-5 AT Q10:** each of your trips: **IF 6+ AT Q10:** each of your last 5 trips) a short name (for example, "South Island trip" or "May trip") so we can refer to them later. Please make each name different. **DS: RESTRICT EACH FIELD TO 15 LETTERS/SPACES.**
