

## 2019 He Tupu Ōhanga: Commercial Advisors Scheme (CAS)

### Approved Commercial Advisors

The Commercial Advisors listed below are approved to work with Māori Collectives in the CAS 2019 investment round. In your application you must show you have engaged with a Commercial Advisor to show that they are able to support your project. You must also declare any conflicts of interest (if any) that may arise from working with your chosen Commercial Advisor.

If you do not wish to work with any of the Commercial Advisors on this list below you may ask MBIE to approve a different Commercial Advisor to work with your collective. This request can be made as part of the online application process.

Please email [mif@mbie.govt.nz](mailto:mif@mbie.govt.nz) if you would like further advice on Commercial Advisors.
