

# **DATA IN NZRIS AT A GLANCE**

A simplified summary of the NZRIS data specifications. More context is in the Data in NZRIS information sheet and NZRIS Data Specifications document, available at www.mbie.govt.nz/nzris under "Tools, resources and documents"

### PHASE 1

Up to late 2019. Asset Pool Managers are the only data providers. All entities within this phase are either mandatory or mandatory if using public funds. Only mandatory sub-entities and elements need to be provided.

#### PHASE 2

Late 2019—Mid-2020. Asset Pool Managers are the only data providers. Data scope increases to include optional entities, sub-entities and elements.

#### PHASE 3

Mid-2020—Late 2021. RS&I Managers and Asset Pool Managers are data providers. Data scope increases to include RS&I data.
