Mihi

Ka rere te manu ki uta, ka rere te manu ki tai
Mā te iwi, me te mahi tahi ōna huruhuru e ora ai

E ngā mana, e ngā reo, e ngā karangarangatanga o ngā tōpito o te motu nei tēna koutou katoa.

Hīkina Whakatutuki (The Ministry of Business, Innovation and Employment (MBIE)) invites applications to be considered for funding from He Tupu Ōhanga (the Commercial Advisors Scheme) 2019 investment round.

He Tupu Ōhanga supports Māori collectives through professional business advice (the Commercial Advisor) to develop the capability, knowledge, business networks, and innovation they need to realise the potential economic value of their assets.

He Tupu Ōhanga invests in initiatives that contribute toward achieving the goals and priorities in He kai kei aku ringa. This provides a vision for a productive, innovative, growing Māori economy driven by whānau.

This year we are encouraging collectives/coalitions to think about how they can prepare for a future economy that will look very different than it is today. New technologies will change the skills required by our whanau to gain employment, but will also be an enabler when transitioning to a low emissions economy.

This call for proposals provides you with information on how to apply, how your application will be assessed, and what happens if your application is successful. Ko te tūmanako he kupu āwhina kei roto nei.

Hinemaua Rikirangi

TE TUMU WHAKARAE, EXECUTIVE DIRECTOR
Māori Economic Development
Hīkina Whakatutuki
The Purpose of He Tupu Ōhanga

The objective of He Tupu Ōhanga is to support Māori collectives through professional business advice to develop the capability, knowledge, business networks, and innovation they need to realise the potential economic value of their assets. By subsidising the costs involved of working with an approved Commercial Advisor, He Tupu Ōhanga funding aims to support Māori collectives and coalitions with a significant asset base that has unrealised economic potential:

> to engage more effectively with other agencies in the wider enterprise development and innovation systems.
> in their ability to be innovative in their business practices, to navigate New Zealand’s innovation system, and to access available business funding and support, both public and private.

Māori and the Future Economy

This year we are encouraging collectives/coalitions to think about how they can prepare for a future economy that will look very different than it is today. These include new technologies, globalisation and demographic shifts, which will have impacts on the ways New Zealanders work and the jobs they do. As businesses gain confidence to invest in new low-emissions technologies and new industries and jobs emerge, we (Māori) will build our global advantage and get ahead in a world that is also in transition.

This year we want to draw your attention to the strength of the project just as much as the growth of the owned asset, in particular how much of an impact the project, led by whānau, could have on the future economy. The Government’s new investment (56m) into the development of whenua, Māori freehold landowners and their whānau, gives He Tupu Ōhanga an opportunity to think more widely about where the Commercial Advisor can add more value. In particular we are eager to support more innovative projects that:

- have sustainable and environmental wellbeing business models
- can demonstrate (actual or potential) collaboration with other Māori entities along the supply chain
- has export potential
- seek to add greater value to existing products
- use innovative technology (in particular that which transitions to a low carbon emission economy)

Like previous years He Tupu Ōhanga is open to Māori collectives and coalitions at a range of stages of commercial development, from initial analyses and feasibility studies, through to business case development, strategic planning, or market analysis and expansion. These stages of commercial development contribute to the success of the project which in turn will contribute to the success of Māori and the future economy.
What Funding is Available?

A minimum of $1 million is available in the He Tupu Ōhanga 2019 investment round. Of this, a maximum of $60,000 (subject to the co-funding requirements) is available for each successful funding application over an 18 month contract period from 01 February 2020 to 31 July 2021.

All figures exclude GST. Successful applicants are not guaranteed to receive the full amount of funding they have applied for.

He Tupu Ōhanga is administered by the MBIE as part of the Te Pūnaha Hiringa: Māori Innovation Fund.

Co-Funding Requirement

Māori collectives/coalitions must contribute a minimum of 25% co-funding toward the total cost of the commercial advice.

Figures exclude GST

Co-funding is cash received from your collective/coalition that contributes directly to the cost of the commercial advice. It must be essential to the achievement of proposed project and be genuine. It is not funding:
- from which an income is derived, or
- that can be returned to the funder, or
- being received from other government agencies, or
- the collective/coalition may have used before the start date of the project, or received after the end date of the project,
- or any form of in-kind contribution of time.
Who Can Apply?

To be eligible for He Tupu Ōhanga funding you must:

- Own the asset/s that the proposed project will be developing, and
- Able to contribute a minimum of 25% co-funding toward the total cost of the commercial advice, and
- Have not received any government funding for the proposed project, and
- Not be a State sector entity, and
- Be one of the following Māori collectives (or a coalition of the following):
  - Statutory Māori Trust Board created by an Act of Parliament
  - Post Settlement Governance Entity (PSGE)
  - Commercial subsidiary wholly owned by a PSGE
  - Mandated iwi organisation under the Māori Fisheries Act 2004
  - Trust under Part 12 of Te Ture Whenua Māori Act 1993
  - Māori incorporation under Part 13 of Te Ture Whenua Māori Act 1993
  - Legal entity created to act for the benefit of iwi or hapū
  - Coalition of Māori collectives

What Can the Funding be used For?

He Tupu Ōhanga funding granted in the 2019 investment round can be used to support the costs of commercial advice to lift the level of understanding within your collective on potential uses and management of your assets. This funding:

- Covers up to 75% (to a maximum of $60,000) of the cost of the services of an MBIE approved Commercial Advisor you choose to work with, including their fair and reasonable expenses such as travel.
- Can be used to support the costs of projects that start 01 February 2020 and are complete by 31 July 2021.

Projects must take place within New Zealand (including Stewart Island and the Chatham Islands) and be for the benefit of Māori.

He Tupu Ōhanga funding does not cover:

- Capital expenditure (things like the purchase of property, buildings, computers or other equipment), government fees, or any of your “business as usual” costs, or
- Activities that are part of an organisation’s usual programme of work i.e. this funding does not cover work done by anyone who is part of your collective/coalition.

Separate to this funding application, you will need to negotiate an agreement (contract) for services with your Commercial Advisor. It is important that you are specific about what expenses are covered with the Advisor, as you will not be able to claim on expenses that are not covered.

Your Proposed Project

To the extent possible, you need to set out in your funding application what your commercial project will be, and describe the programme of work you would like the Commercial Advisor to assist you with, including any envisioned products or milestones such as a Business Case or Strategic Plan.

The stage and level of detail of the business development project proposed by collectives/coalitions will vary according to the collective’s/coalition’s size, its asset base, commercial activity already in place, and other factors. He Tupu Ōhanga aims to support projects at a wide range of stages, and each application will be considered independently.

See Appendix 1 on page 30 for a list of some projects funded in previous He Tupu Ōhanga investment rounds.

---

1 An eligible coalition is a group of two or more collectives or other entities, with a majority of the entities (more than half of the total membership) being eligible collectives. (Email mif@mbie.govt.nz for more details.)
The Role of the Commercial Advisor

Commercial Advisors working under He Tupu Ōhanga provide professional business advice and mentoring, supporting collectives/coalitions to identify opportunities, begin new ventures, or grow existing businesses and assets through specific projects.

When providing their professional advice Commercial Advisors should:

- ensure that the collective/coalition members understand and are involved in each stage of the project, and
- strive to pass on the knowledge, skills and networks collectives/coalitions need to put their business plans into action.

The Commercial Advisor’s role is not one of decision-making. They are to mentor, coach, and guide collectives/coalitions in developing their own goals and strategies for commercialising their assets; not to make decisions about those assets.

Exactly what your Commercial Advisor will do will depend on what your collective/coalition is like and what you want to do with your assets. Generally, the Commercial Advisors mentor and support collectives to:

- identify opportunities to get higher economic returns from their asset bases
- develop business cases for pursuing those opportunities
- find the professional advice needed to validate business cases
- access, where appropriate, other government business assistance.

Most of the approved Commercial Advisors have experience working with Māori collectives, and are familiar with Māori collective structure and operating models (exceptions could arise, for example in niche sectors). They offer a broad range of expertise and experience in commercial advisory services including:

- Needs assessment (conducted at the beginning of the engagement)
- Capability development
- Strategic planning and direction
- Business case development (development of products and markets)
- Commercial facilitation and negotiation
- Investment planning and advice
- Risk management strategies
- Stakeholder management
- Knowledge of government business assistance programmes
- Māori collective structure and operating models

Your collective/coalition may need to focus on one of these with your Advisor, or work across several of them. If you are not sure what you want and need to do, you may need to select a Commercial Advisor experienced in this early stage of identifying possible options for development. Depending on the speed of your progress, you might then choose to move to another Commercial Advisor with expertise in the sector you have identified for development.

Choosing a Commercial Advisor

All Commercial Advisors providing services to collectives/coalitions through He Tupu Ōhanga must be approved by MBIE. In your funding application, you need to identify the Commercial Advisor you would like to work with.

See the He Tupu Ōhanga webpage for the current list of pre-approved Commercial Advisors.

Some collectives/coalitions will already know or be working with a Commercial Advisor. You may apply for He Tupu Ōhanga funding to work with that Commercial Advisor again as long as it is on a new project, or on a new stage of a project. He Tupu Ōhanga funding may not be used on projects already completed.
If you do not already have a Commercial Advisor, and do not know any of the Commercial Advisors on the list, we recommend that you:

- look at their websites and see if they offer the services you need.
- talk to two or three different Commercial Advisors to see what services they offer and how they might approach your project.
- talk to one of the Regional Business Partners in your region. They provide a range of business-related services. See [https://app.regionalbusinesspartners.co.nz/](https://app.regionalbusinesspartners.co.nz/) or email info@regionalbusinesspartners.co.nz

During your application you may choose to name a Commercial Advisor who is not on the pre-approved list providing:

- your Commercial Advisor makes available the names of two former clients who are able to serve as referees for them.
- the two referees or former clients complete the Commercial Advisors reference check form.
- the Commercial Advisor is not a member of your collective/coalition (see also Conflicts of Interest).
- there is no conflict of interest. If there is a conflict of interest or a perceived conflict of interest please complete the Declaration of conflict of interest form.

Upload the above documentation when you submit your application through the IMS portal (see page 17). MBIE will need to approve any nominated Commercial Advisor. If your nominated Commercial Advisor is approved by MBIE, they will, with their permission, be added to the list of approved Commercial Advisors and be free to work with other collectives.

As your project progresses you may add other Commercial Advisors, for example with different areas of expertise. You will need to complete a form to request approval of an additional Commercial Advisor for any Commercial Advisor who is not on the list, and email it to (mif@mbie.govt.nz) for approval.

**Contracting a Commercial Advisor**

If your funding application is successful, you will need to negotiate an agreement (contract) for services with your Commercial Advisor. It is important that you are specific about what expenses are covered with the Advisor, as you will not be able to claim on expenses that are not covered.

**Investment Recommendations and Decisions**

The Assessment Panel will provide MBIE with recommendations as to which proposals should be funded. MBIE will then review these recommendations when considering how funding should be allocated to successful proposals.

The final decision on the allocation of funding will be made by the Deputy Chief Executive of the Labour, Science and Enterprise Group, MBIE.

**What Happens Next?**

MBIE will announce the funding decisions in December 2019. If MBIE decides to invest in your proposal, we will enter into a Funding Agreement with your collective/coalition (subject to any pre-contractual conditions being met). A sample Funding Agreement is available on the He Tupu Ohanga webpage. By applying for funding you accept the terms and conditions in this funding agreement.

MBIE may:
- set pre-contractual conditions that must be met before MBIE and the applicant organisation can enter into a Funding Agreement, and/or
- set special contract conditions, and/or
- vary the funding allocated from that requested, and/or
- partially approve deliverables of an application.

Collectives/coalitions can then enter into an agreement (contract) for services, separate to MBIE, with their chosen MBIE-approved Commercial Advisor(s).
Preparing your Funding Application

This section contains a template that you can use to prepare your He Tupu Ōhanga funding application. The template contains the information required and guidance on preparing that information. This is a guide and is not intended to constrain the information you provide. Mandatory information is marked with an asterisk (*).

Once completed, funding applications are entered and submitted in MBIE’s Investment Management System (IMS) – a secure online portal. We recommend you use the templates provided to draft the required information in a word processor of your choice and then when ready to submit, copy and paste the necessary segments into the appropriate IMS portal fields and upload your supporting documentation where directed. See page 20 for more detailed IMS portal information.

CHECKPOINT

Check the following and gather the necessary information required to support your application.

- Ensure that your collective/coalition and the proposed project detailed in the information you provide complies with the eligibility criteria (see page 5) and addresses the assessment criteria (see page 9).
- Locate the necessary documents to prove your eligibility (see the table on page 13).
- Seek written agreement from your collective to apply. If you are a coalition made up of more than 50% eligible collectives, you must seek written agreement from each individual collective.
- Gather evidence that you have the mandate (formal agreement) from your collective/coalition to apply for this funding and that your collective or coalition has agreed to make this application. This may be a copy of meeting minutes, a formal signed letter or a copy of the board resolution). For coalitions, we need to see evidence that all parties have agreed; a letter signed by an individual with authority from each party will be sufficient.
- Connect with a Commercial Advisor and seek confirmation from them that they are available to work with you on your project. You will need to provide evidence of this contact and that the Commercial Advisor is available to work with you. An email or signed letter is sufficient.
- Check your Commercial Advisor is on the MBIE approved list. If they are not on the list, we will require a reference check to be undertaken before they can be approved (see page 7).
- Think about the agreement you will sign with your Commercial Advisor if your funding application is successful.

Conflicts of Interest

Think about conflicts of interest that could arise between your collective/coalition, or a member of your collective/coalition (particularly one with decision-making authority), and the Commercial Advisor you wish to work with. If you identify an actual, potential or perceived direct or an indirect conflict of interest, you must declare this in your funding application.

Conflicts of interest may occur on two different levels:

- A direct conflict of interest; where a Commercial Advisor and/or Assessor is:
  - directly involved with a proposal (as a participant, manager, mentor, or partner) or has a close personal relationship with the applicant, for example, family members, or
  - a collaborator or in some other way involved with an applicant’s proposal.
- An indirect conflict of interest; where a Commercial Advisor and/or Assessor:
  - is employed by an organisation involved in a proposal but is not part of the applicant’s proposal.
  - has a personal and/or professional relationship with one of the applicants, e.g., an acquaintance.
  - is assessing a proposal under discussion that may compete with their business interests.
Privacy
You are responsible for ensuring that all parties mentioned in your proposal:
★ have confirmed their personal details and the nature and level of their involvement in the work described in the proposal is correct, and
★ are aware of MBIE’s IMS Privacy Statement that describes how this information will be used and know the process to follow should any changes to this information be required.

Key Reference Documents
When developing your funding application, we encourage you to consult He kai kei aku ringa. This provides a vision for a productive, innovative, export-oriented Māori economy driven by whānau.
See the He Tupu Ōhanga webpage on for a full list of reference documents.
Proposal Template

This template details the information you should cover in your Proposal for He Tupu Ōhanga funding. Use it to help gather the information you need to formulate your proposal. An asterisk (*) indicates mandatory information.

Proposals can be submitted to MBIE in the IMS portal from 19 August 2019 until Noon, 30 September 2019. These dates are subject to change. Any change will be notified via the Māori Innovation Fund updates and the He Tupu Ōhanga webpage. See page 20 for more detailed IMS portal information.

**PROPOSAL TEMPLATE**

**INFORMATION REQUIRED**

This is a guide and is not intended to constrain the information you provide. An * indicates mandatory information

**REQUESTED AMOUNT**

*Specify the total amount of funding you are seeking from He Tupu Īhanga

*Provide a meaningful title that clearly identifies the nature of your project

This title will be used in our records and communications

Avoid cryptic, humorous or “tabloid” style titles. Do not use acronyms or abbreviations.

*Tell us the start and end dates of your project

Projects under the 2019 round must take place between 1 Feb 2020 and 31 July 2021.

---

**YOUR COMMERCIAL ADVISOR**

*Provide the details of the Commercial Advisor or advisory firm you would like to work with on your project.

If the Commercial Advisor or advisory firm you wish to work with is not an approved [Commercial Advisor](#), you may request approval for your collective to work with your preferred Commercial Advisor during the application.

All applicants must make contact with their preferred Commercial Advisor before submitting the application and upload evidence of that contact.

Tell us:

- If your Commercial Advisor or advisory firm is on the approved Commercial Advisor list.
- Name of the Commercial Advisor’s Business.
- Name of the Commercial Advisor (the specific person).
- The Commercial Advisor’s contact details (email and phone number).

If your Commercial Advisor is not a pre-approved Commercial Advisor:

- Tell us why you want to work with this particular advisor (this may include any unique areas of expertise they offer, their professional “track record” including experience with Māori businesses, how they differ from Commercial Advisors already on the list, and any previous work with them).
- Two referees who have received commercial advisory services from your nominated Commercial Advisor in the past (you should ask your Commercial Advisor to supply these to you) should complete [The Commercial Advisors reference check form](#).
- MBIE may contact at least one referee so you will also need to provide the names and contact details (phone and email) of the referees.

When you submit your application in the IMS Portal, you will need to upload evidence that you have made contact with a Commercial Advisor and they are available to work with you. An email or signed letter is sufficient.

All forms of documents (e.g., Excel, Word and PDF) can be uploaded. If a PDF, ensure that it is unsecured. If secured, we will not be able to access or print your proposal. Image files cannot be uploaded.

Submitting your Funding Application

He Tupu Ōhanga funding applications are entered and submitted in MBIE’s Investment Management System (IMS) – a secure online portal. Applications can be entered and submitted between 19 August 2019 and Noon, 30 September 2019.

An application is considered submitted if it has a status of Submitted to IMS in the IMS portal. If your application is being submitted by a university or a Crown research institute, see your research office for additional submission advice.

Accessing MBIE’s IMS Portal

To log in to the IMS portal:

Access the IMS portal using either Chrome or Firefox. Five or more failed log-in attempts will automatically lock you out of the system. If this occurs, contact MBIE and ask for your account to be unlocked.

For first time users:

If you have not used the IMS portal before, complete and email a portal registration form to mif@mbie.govt.nz. On acceptance, you will receive a Username and temporary password.

1. Click the Portal URL link in your Welcome email.
2. Type your Username and temporary password (as detailed in your registration email). The IMS portal’s Edit password screen displays.
3. Type your new password.
4. Retype your new password in the Confirm new password field.
5. Click the Save Changes button. A Portal Access Agreement displays.
6. Read the access agreement and then click the Accept button. The portal’s Home screen displays.

For existing users:

For returning applicants: log in using your existing username and password. If you’ve forgotten this, use the I’ve forgotten my password option.

1. Click the MBIE IMS Portal link (ims.msi.govt.nz/).
2. Type your Username and Password.
3. Click the Login Securely button. The Portal’s Home screen displays.

To logout, click the Logout hyperlink (located top right of every screen).

User Access Roles

What you can do and see in the IMS portal is dependent on your access. There are two user roles.

<table>
<thead>
<tr>
<th>Role</th>
<th>Permissions</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
<tr>
<td></td>
<td>QA and submit completed applications to MBIE.</td>
</tr>
</tbody>
</table>
Navigating the IMS Portal

From the Home screen of IMS portal you can:

- Manage access to the portal for your organisation’s personnel.
- Maintain your personal details, including your portal password.
- Access your Project List (containing the funding applications for your organisation).

Customising your View

The Home screen’s Project List tab lists the applications submitted by your organisation. Here you open and view the details of all applications and contracts to which you have access. You can filter and sort this list to view only those of interest, and customise the columns to show only the information required.

You can also determine the number of applications that display on each screen using the Display field (located bottom left of the screen).

You will only see information to which you have permission.
Entering and Submitting a Funding Application

The following details how to enter and submit a He Tupu Ōhanga funding application in the IMS portal.

You can enter and submit a He Tupu Ōhanga funding application in the IMS portal between 19 August 2019 and Noon, 30 September 2019. Proposals submitted after Noon, 30 September 2019 will not be accepted unless there are exceptional circumstances (at MBIE's discretion).

Complete all the required fields. Mandatory fields are marked with an asterisk. Ensure all sections are completed and meet the requirements as per this Call for Proposals.

To enter and submit a funding application in the IMS portal:

1. On the Home screen of IMS portal, click the Project List tab.
2. Click the New Application button (located to the right of the screen).
4. Enter the title of your proposal in to the Full title field and then click the Create button.

Provide a meaningful short title of no more than six words. Do not use acronyms or abbreviations. Your short title will be used for everyday use and reference.

The first application section you need to complete displays. The IMS portal will guide you through the completion of the required fields. We recommend that you familiarise yourself with the portal well before the deadline. When complete, click the Save & next section button to move to the next section.

You can copy and paste your prepared information directly into the portal fields. Where directed upload documents containing your references/citations. All document types (e.g., Excel, Word and PDF) can be uploaded. If a PDF, ensure that it is unsecured. If secured, we will not be able to access or print your application. Image files cannot be uploaded.

You can save, log out, and return to the IMS portal to edit your application before submitting it.

Mandatory fields are marked with an asterisk.

- Fields with a red * must be completed before you can save and close the current section.
- Fields with a black * must be completed before you can submit your application.

We recommend that you regularly click the Save button to save work as you are going.
Symbols alongside each section in the navigation panel allow you to easily check the completeness of your submission.

<table>

</tr>
<tr>
<td></td>
<td>is in progress.</td>
</tr>
<tr>
<td></td>
<td>contains invalid or incomplete fields.</td>
</tr>
<tr>
<td></td>
<td>complete and valid.</td>
</tr>
</tbody>
</table>

The sections to complete are listed in the left hand navigation panel. You can click these to access the section directly or move through the sections sequentially by completing them and clicking the Save & next section button.

A warning will display if you attempt to leave the current section without saving your information. Choose to either:
- Leave this Page to exit the section without saving (all changes made during that session are lost), or
- return to the section and either continue to add information or click the Save & next section button.

5. When all sections are complete, scroll to the top of navigation panel and click the Manage and submit application link.

6. Click the Check my application before submission button to run a validation check. This will verify the completeness of your application and will detect any missing content.

If the validation is successful, every section in the navigation panel is marked with the symbol ⚫. If errors and/or incomplete fields are detected, these will display as:
- light blue error message hyperlinks in the Proposal validation result section.
- a ❌ beside the relevant sections.

7. Click the first error message to open the section, make the required corrections/additions and then click the Save button.

8. If applicable, repeat for other sections marked with ❌.
9. Once you have corrected all of the errors and/or added all missing information, click the Manage and submit application link then the Check my application before submission button again.

10. On achieving a successful validation, click the Submit to QA button (Users) or the Submit to IMS button (Super Users)

11. Read and accept the declaration.

12. If you clicked:
   - Submit to IMS your proposal has been successfully submitted and is now listed on the Project List tab with a status of Submitted to MBIE.
   - Submit to QA you will need to ensure that your Super User performs their QA and submits your proposal before the deadline.

Administering Applications

Checking the Progress of your Application

There are three key features in the IMS portal that enable you to quickly see where you are at in the application process.
1. The status of your current application
2. The completeness of your application
3. The number of days until the submission is due.

Checking the Status of your Application

The status of your current application phase displays in the Project List and at the top of key application screens.

Checking when your Application is due

The status bar at the top of the screen displays when the application must be submitted.

Withdrawing an Application

You can withdraw your application at any time before it has been submitted.

A withdrawn application cannot be edited or resubmitted to MBIE. It remains in your organisation’s project list with a status of Not Progressing and can be viewed and printed.

If you wish to withdraw a submitted application, contact the Investment Operations team.

- To withdraw an un-submitted application:
  1. Locate and open the application.
  2. Click the more actions link.
  3. Click the Make not progressing button.

IMS Portal Tips

A few common actions and commands you may find useful when using MBIE’s IMS portal.

Searching and Filtering

- To find an application:
  - Use Search field (located top right).
  - Scroll through the list using the controls at the bottom left of the screen.
  - Use the Advanced Search link (located directly under the Search field) to enter a more detailed search criterion.

- To apply a filter:
  1. Click the icon next to column header.
  2. Select one or more categories of interest.
  3. Click the Apply Filter button.

Working with Columns

- To sort a column, click the column header once to apply an ascending to sort and/or twice for descending.

- To change the columns that display on the Project List tab:
  1. Click the Advanced Search link (located top right of the Home screen).
  2. Click the Configure headers icon.
  3. Drag and drop the columns you want to view from the left hand panel into the right.
  4. Reorder as required by selecting them and dragging them up or down the list.
  5. Click OK and then click the Save as Default button.

To reset all filters, click the Reset Filter button on the Project List tab.

To reset the customisation, click the Advanced Search link and then click the Reset button.
Formatting Text, and Adding Images and Hyperlinks

Use the text panel toolbar to format your information and if applicable add images, hyperlinks and/or tables. Adhere to the word limits specified. This limit includes words in a table and references/citations. It does not include images. To help you there is an automatic word count tracker at the bottom right hand corner of every text panel.

Updating your Details

From the Home screen of the IMS portal, you can maintain your details held in the portal as and when required.

- To view and/or update your details:
  1. Click the Edit my account details button on the Home tab.
  2. Update your details as required and click Save.

- To change your password, click the Change password button on the Home tab.

Managing IMS Portal Access

If you are a Super User, you can set up and maintain access to the portal for the users in your organisation as necessary. If you require a user to be deactivated, email imssupport@mbie.govt.nz.

- To grant access to the IMS portal:

  New users are automatically granted regular User permissions. If they require Super User permissions, email imssupport@mbie.govt.nz. Note that this request must be endorsed by a Super User.

  1. On the Home screen > Home tab, click Manage Users.
  2. Click the Add new button.
  3. Enter the details for the user and click the Create button.

  An automatic email is sent to the user with a temporary password and link enabling them to change this.
4. Grant the user access to the necessary applications. For each application:
   1. On the Home screen > Project List tab, open the application and click the Manage users for this application button.
   2. Click the Add button.
   3. Search for and locate the new user you want to grant access. Select them and click the adjacent Use button.
   5. By default they will have Edit access. If required, click the adjacent Change to Edit button to restrict this to View only rights.

**Maintaining your Organisation’s Contact Details**

On person fields, use the Lookup button to locate and auto complete fields with the details of individuals in your organisation as well as add and maintain these details.

- **To locate:**
  1. Enter the person’s and click the Search button.
  2. Locate them in the list and click the Use button.

- **To add:**
  1. Click the Add button.
  2. Enter the contact details and click the Save & Use button.

The phone number and email address is mandatory.

- **To modify:**
  1. Select the person and click the Edit button.
  2. Edit the details and click the Save & Use button.

- **To delete**, select the person and click the Delete button.
Terms and Conditions Relating to this Call for Proposals

You can enter and submit in the IMS portal between 19 August 2019 and Noon, 30 September 2019. Proposals submitted after Noon, 30 September 2019 will not be accepted unless there are exceptional circumstances (at MBIE’s discretion).

By submitting an application you are agreeing to these terms and conditions.

1. General
1.1 The terms and conditions are non-negotiable and do not require a response. Each applicant that submits a proposal (hereafter referred to as “you”) will be deemed to have agreed to the Call for Proposals terms and conditions without reservation or variation.

2. Investigations and reliance on information
2.1 You must examine this Call for Proposals and any documents referenced by this Call for Proposals and carry out all necessary investigations before submitting a proposal. If you are in doubt as to the meaning of any part of this Call for Proposals, you must set out in your proposal the interpretation and any assumptions you used.
2.2 MBIE will not be liable (in contract or tort, including negligence, or otherwise) to anyone who relies on any information provided by or on behalf of MBIE in or in connection with this Call for Proposals.

3. Reliance by applicants
3.1 All information contained in this Call for Proposals or given to you by MBIE is for the purpose of allowing you to prepare your proposal. MBIE has endeavoured to ensure the integrity of such information. However, it has not been independently verified and may not be up to date.

4. Reliance by MBIE
4.1 MBIE may rely upon all statements you make in your proposal and in correspondence or negotiations with MBIE or its representatives. If a proposal is funded by MBIE, any such statements may be included in a Work Programme Agreement.
4.2 You must ensure all information you provide to MBIE is complete and accurate. MBIE is under no obligation to check any proposal for errors, omissions, or inaccuracies. You must notify MBIE promptly upon becoming aware of any errors, omissions, or inaccuracies in your proposal or in any additional information you provide.

5. Inducements
5.1 You must not directly or indirectly provide any form of inducement or reward to any assessment panel member, officer, employee, advisor, or other representative of MBIE in connection with this Call for Proposals.
5.2 Business-as-usual communications (relating to funding under existing arrangements between MBIE and your organisation) will be maintained with the usual contacts. However, during the Call for Proposal process, you must not use business-as-usual contacts to solicit or discuss details of this Call for Proposals or any application you have, or intend to, submit, with any person at MBIE or its agents, including the assessment panel members.

6. Ownership and intellectual property
6.1 This Call for Proposals and any other documents MBIE provides to you remain the property of MBIE. All copyright and other rights in this Call for Proposals and in any other documentation or information provided to you or any other person by or on behalf of MBIE in connection with this Call for Proposals will remain with, and belong at all times to, MBIE or its licensors.
6.2 MBIE may request at any time the immediate return of all documents supplied and any copies made of them. You must comply with any such request in a timely manner.
6.3 Any proposals or information you supply to MBIE will become the property of MBIE and may not be returned to you. Ownership of the Intellectual Property rights in a proposal does not pass to MBIE. However, in submitting a proposal, you grant MBIE a non-exclusive, non-transferable, perpetual licence to retain, use, disclose, and copy your proposal for any purpose related to this Call for Proposals process.
6.4 By submitting a proposal, you warrant that the provision to MBIE of the information contained in your proposal, and MBIE’s use of it for the evaluation of your proposal and for any resulting negotiation, will not breach any third-party intellectual property rights.

7. Confidentiality
7.1 You and MBIE will each take reasonable steps to protect Confidential Information and, subject to paragraph 7.3, and without limiting any confidentiality undertaking agreed between them, will not disclose Confidential Information to a third party without the other’s prior written consent.
7.2 You and MBIE may each disclose Confidential Information to any person who is directly involved in the Call for Proposals process on its behalf, such as officers, employees, consultants, contractors, professional advisors, evaluation panel members, partners, principals or directors, but only for the purpose of participating in the Call for Proposals.
7.3 You acknowledge that MBIE’s obligations under paragraph 7.1 are subject to requirements imposed by the Official Information Act 1982 (OIA), the Privacy Act 1993, parliamentary and constitutional convention and any other obligations imposed by law. Where MBIE receives an OIA request that relates to your Confidential Information, MBIE will consult with you and may ask you to explain why the information is considered by you to be confidential or commercially sensitive.
8. The proposal process
8.1 Despite any other provision in this Call for Proposals, MBIE reserves the following rights:

☐ MBIE may amend, suspend, cancel and/or re-issue the Call for Proposals or any part of the Call for Proposals.

☐ MBIE may make any material change to the Call for Proposals (including any date) on the condition that you are given a reasonable time within which to respond to the change.

☐ In exceptional circumstances, MBIE may accept a late proposal where it considers that there is no material prejudice to other applicants.

☐ MBIE may waive irregularities or requirements in or during the Call for Proposals process where it considers it appropriate and reasonable to do so.

☐ Your proposal may not be approved for funding.

☐ All or any proposal(s) may be rejected.

☐ Your proposal may be accepted in whole, or in part.

☐ Any information you provide to MBIE with your proposal may be retained or destroyed.

☐ Clarification may be sought from any applicant(s) in relation to any matter in connection with the Call for Proposals process.

☐ Any applicant(s) may be contacted, which may be to the exclusion of any other applicant(s), at any time before or after the approval (if any) of proposal(s).

☐ MBIE may reject, or not consider further, any documentation related to your proposal that may be received from you, unless it is specifically requested.

☐ This Call for Proposals process may be run in such manner as MBIE may see fit.

9. No contractual obligations created
9.1 No contract or other legal obligations arise between you and MBIE out of or in relation to this Call for Proposals or Call for Proposals process, until a formal written contract (if any) is signed by both you and MBIE.

9.2 This Call for Proposals do not constitute an offer by MBIE to provide funding or enter into any agreement with you. The call for and receipt of proposals does not imply any obligation on MBIE to contract any funding requested in your proposal. MBIE will not be bound in any way until a contract is executed.

9.3 MBIE makes no representations nor gives any warranties in this Call for Proposals.

9.4 Any verbal communications made during the Call for Proposals process will not be binding on MBIE and are subject to the terms of this Call for Proposals.

10. No process contract
10.1 Despite any other provision in this Call for Proposals or any other document relating to this Call for Proposals, the issue of this Call for Proposals does not legally oblige or otherwise commit MBIE to proceed with or follow the process outlined in this Call for Proposals or to assess your proposal or enter into any negotiations or contractual arrangements with you.

10.2 For the avoidance of doubt, this Call for Proposals process does not give rise to a process contract.

11. Exclusion of liability
11.1 Neither MBIE nor any assessment panel members, officers, employees, advisers or other representatives will be liable (in contract or tort, including negligence, or otherwise) for any direct or indirect damage, expense, loss or cost (including legal costs) incurred or suffered by you, your affiliates or any other person in connection with the this Call for Proposals process, including without limitation:

☐ the assessment process the preparation of any proposal

☐ any investigations of or by any applicant

☐ concluding any contract

☐ the acceptance or rejection of any proposal

☐ the suspension or cancellation of the process contemplated in this Call for Proposals, or

☐ any information given or not given to any applicant(s).

<tr>
<th>EXAMPLES OF WHAT HAS BEEN FUNDED</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Forestry</strong></td>
<td>The collective worked with a Commercial Advisor to scope options for the best commercial development of their native wood resources. The advisor helped them research their commercial ideas, and identify the most efficient development processes. The Commercial Advisor also shared with the collective their professional networks and helped them understand how important it is to have the right professional contacts at the right stage in commercial development.</td>
</tr>
<tr>
<td><strong>Investment</strong></td>
<td>The collective worked with a Commercial Advisor to review their investment portfolio and plot current trajectory. They wanted to establish an investment assessment matrix and framework, to allow for easier assessment of investment opportunities in the future (not just financial benefits, but potential to benefit people in the iwi). The collective entered into new investment opportunities and diversified their investment portfolio.</td>
</tr>
<tr>
<td><strong>Forest flora</strong></td>
<td>The collective worked with a Commercial Advisor to progress the development of three potential herbal products for the Asian market utilising plants from the native forest growing on their lands. They gained a much better understanding of their target market, and felt that the work with their Commercial Advisor will lead to better returns, more assets, and more jobs for their region.</td>
</tr>
<tr>
<td><strong>Aquaculture</strong></td>
<td>The collective is pursuing tuna (eel) aquaculture. It had received government funding for the scientific background work, but sought commercial advisory support for commercialisation, including liaison with other iwi, government agencies and eel industries as well as economic modelling and market research, overall business plan development, strategic planning and capability development.</td>
</tr>
<tr>
<td><strong>Tourism</strong></td>
<td>The collective applied to engage a Commercial Advisor to help them carry out options analyses and feasibility studies in relation to their development ideas in the tourism sector. They identified a number of significant tourism opportunities and worked with the Commercial Advisor to develop investment business cases for those ideas with the greatest potential.</td>
</tr>
<tr>
<td><strong>Data Sovereignty</strong></td>
<td>The collective sought the support of a Commercial Advisor to curate a database detailing the modern biological functional correlates of indigenous New Zealand organisms. A Commercial Advisor was sought to identify the appropriate framework and tools to support the design and implementation of the database and develop the strategic business and action plans.</td>
</tr>
<tr>
<td><strong>Market research and franchising</strong></td>
<td>The collective sought the support of a Commercial Advisor to conduct in-market research particularly to identify what segments of the market offered the most attractive opportunities and to compare different market entry options. A different collective sought the support of a Commercial Advisor to assist with the franchising of their recruitment company and their technology hub.</td>
</tr>
<tr>
<td><strong>Diversification</strong></td>
<td>This project focused on the commercialisation and branding opportunities around tourism, honey, fishing and hunting. A Commercial Advisor was sought to develop governance and operational documents, undertake due diligence work, research and access other funding assistance, identify specialists for specific projects, assist in identifying innovative tools, project manage, facilitate engagement with other key stakeholders and assist with the development of business plans.</td>
