TR121	s 9(2)(a)	4 June	17 June	24 June	Consultation	<p>I refer to your announcement that “the Provincial Growth Fund (PGF) is investing \$800,000 to investigate the development and construction of community water storage to unlock environmentally sustainable economic growth opportunities in the Wairarapa”. Please send me the report you received from officials on which you based your decision to invest public money in this feasibility project, including economic analysis and land use assumptions. Please outline the criteria you used to assess this request for funding Please also provide analysis undertaken by officials of the environmental sustainability of this proposed project, including assessment of the impact on rivers and streams in the region and on groundwater. For example, what impact would the project have on river flow, pathogen levels and other indicators of freshwater quality in the Ruamahanga River? Finally, what assurance will you obtain that the impact of any such project is, indeed, “environmentally sustainable” as you claim?</p>

1819-1447	s 9(2)(a)	2 Apr	31 May	7 Jun	Minister's Office Sign out	<p>I request the following information under the terms of the Official Information Act 1982, in relation to the paperwork error in relation to the Provincial Growth Fund. Controller, Auditor-General John Ryan reported the Ministry of Business, Innovation and Employment (MBIE) spent public money outside the authority provided by Parliament. It was granted approval to increase the amount of departmental expenditure to administer the Provincial Growth Fund and incurred expenses accordingly. However, a paperwork error meant that authority to spend could not be granted until the paperwork was corrected. The correction was made, and the creation of a new appropriation category approved, in October 2018. But by that time, some money had already been spent on the basis of the August approval but before the proper authority was in place in October. How much money was spent before the error was discovered - and how much in total? What was the money spent on? What was the nature of paperwork mentioned? Please provide detail around what happened. Who made the error? When was it discovered? Has/ will the money be recovered? I'm also requesting all documents, prepared, sent and received by MBIE, in relation to this error and the spending of public money outside the authority provided by Parliament</p>

1819-1687	s 9(2)(a)	21 May	11 June	18 June	Review	<p>In order for the William Grace Dementia Care Trust to continue with further funding applications we make elsewhere, we need clarity around the Decision Meeting of May 2nd. To this end I respectfully request a copy of the Minutes from that meeting, which hopefully provide some insight into the outcome.</p> <p>Our Board of Trustees and other Stakeholders need to clearly understand how we failed to meet the above PGF criteria and furthermore, to know why on the advice of a Fund Advisor we spent considerable time and effort rewriting our application to more specifically fit requirements, only to be told month's later a feasibility study and health related service do not in fact 'fit the brief for the PGF.'</p>
1819-1691	s 9(2)(a)	22 May	13 June	20 June	Consultation	<p>All information relating to the feasibility study undertaken by the Ministry for Business, Innovation and Employment for KiwiRail on freighting logs by rail from Te Wera and Stratford to New Plymouth, and Port Taranaki.</p>

1819-1720	s 9(2)(a)	28 May	19 June	26 June	Review	<p>The grant to the Te Kaha Landowners Group announced by Minister Shane Jones on 17 May states: "The skills, training and employment programme is made up of core projects, including the development of a trial kiwifruit nursery and science lab and an innovative living wage horticulture pilot project." 1. Can you please tell us the specific amount of funds allocated for this nursery development in particular and where this money is from? Is the nursery development funded fully from the PGF or Te Ara Mahi and Whenua Maori allocations? If so which fund is contributing what amount exactly? 2. What does the innovative living wage horticulture pilot project entail? Which fund is the money for this pilot this being drawn from? We would like to see the detail of this pilot please. 3. What market assessment was carried out to find out the impact subsidising a private enterprise nursery could have on the value of kiwifruit plants on the open market?</p>
1819-1779	s 9(2)(a)	10 June	1 July	8 July	Scoping	<p>There is an extensive list of approved projects on the PGF website. Could you please tell me which of those involved grants or low interest loans on private land – and whether in each case the land is Maori owned? Treat this as a request under the Official Information Act if need be.</p>

1819-1790	s 9(2)(a)	30 May	21 June	28 June	Consultation	I have now re-read the Cabinet papers publicly released about the Provincial Growth Fund. I can find no reference to the exclusion of Porirua City or more generally, metropolitan Wellington. I would therefore request the Cabinet reference and associated minute. I would also like advice provided by officials that support this Government position - specifically the policy rationale. I do this under the Official Information Act. It may be that I simply haven't accessed the right Cabinet papers but I would appreciate a link to the appropriate records.
