Investment Management System (IMS) Portal

Our Investment Management System (IMS) portal is a secure online system that lets applicants view, edit and submit funding applications.

On this page

- Using the portal
- Preparing your application
- IMS Portal Privacy Statement

Using the portal

If your application for funding is successful, the IMS Portal lets you:

- view your contract information
- create your own claims
- monitor funding balances
- submit reports.

If you haven't used the system before:

- download and complete the IMS Access Request Form
- email the completed form to imssupport@mbie.govt.nz
