Subject: CWG - Submission on Prior learning

In 1980 I completed my Associateship as a member of the Insurance Institute of New Zealand. This required study and examination in 12 subjects. While I cannot recall all of the subjects it included study of:

- legal liabilities
- physiology & anatomy
- accounting & economics
- engineering
- fire technology
- insurance law
- principles & doctrines of insurance

It was split into two sections with 6 entry level papers and 6 advanced papers.

Since 1980 I have complied with the requirements of the Institute which has now become the Australian and New Zealand Institute of Insurance & Finance. It is a very large education provider recognised worldwide. To remain qualified I must complete the required number of continuing education hours.

It would be disappointing if education from my era was not recognised.

Regards

Graeme Hansen JP ANZIIF (Snr Assoc) CIP
