

**MINISTRY OF BUSINESS,
INNOVATION & EMPLOYMENT**
HĪKINA WHAKATUTUKI

Consultation: New Zealand Telecommunications Relay Services Beyond June 2019

The Ministry of Business, Innovation & Employment is undertaking public consultation to determine the future of the New Zealand Telecommunications Relay Service, seeking views on what services and equipment are required to meet the needs of users.

The feedback from the consultation will help inform the Request for Proposals for the supply of the Telecommunications Relay Service, when the existing contracts expire.

How to Make a Submission

Responses to the consultation can be submitted in either written form or in New Zealand Sign Language.

- Make a submission by emailing RelayConsultation@mbie.govt.nz
- Submit responses in New Zealand Sign Language on the [Seeflow website](#).
- Make a submission by posting your feedback to:
NZ Relay Project Team
